About Me

I'm a 32 year old Front End Developer and Graphic Designer based in Napa, California. I focus my time on creating Websites and Graphics for friends, bands, brands, and small businesses. On my free time I like to produce music, read and practice illustration.

Skills

Photoshop	Figma	HTML
Illustrator	WordPress	CSS / SCSS
AfterEffects	React	JavaScript / jQuery
Premiere	Gatsby	PHP

Experience

Lead Developer, Designer
Napa Creative Company

Napa, California
03.2020 – Present

Projects range from Merchandise design, Web Design, Web Development, Logo Design, Packaging Design, Menu design, Product Photography, and more.

Sr. Graphic Designer
